25K Series Ultrasonic Inserts

Engler Engineering Corporation has been manufacturing quality ultrasonic dental instruments for over 50 years!

We are proud to introduce our latest achievement, the Engler, 25K Series Inserts which carries a CE mark.

Engler's 25K Series inserts are manufactured to the highest quality standards possible using state-of-the-art designs and materials, combined with years of experience and expert feedback.

The reason for our worldwide popularity is we offer Made in the U.S.A. inserts without sacrificing quality or longevity, with the same warranty!

Quality Instruments, Excellent Workmanship, Economical, Made in the U.S.A.
